

5 Creative COLLABORATION HACKS for @Workplace by facebook

Workplace hacks to drive creative collaboration and boundary-less thinking

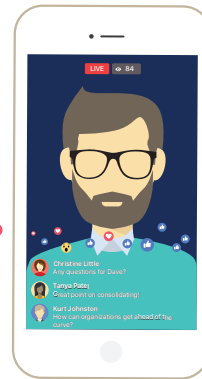

1 MAKE VIRTUAL BRAINSTORMS MORE FUN

Challenge participants to respond to prompts with GIFs, stickers, or emojis

2 DISCOVER IDEAS PEOPLE 'LIKE'

Share draft creative concepts and quickly assess reactions with responses and comments from team members

3 SHARE 'AHA' MOMENTS IN REAL-TIME

Livestream video and share updates from events and activations so your whole team can get a true feel of the experience

Tanya Patel @HollySherwood do you have any materials to support CEO transition?

4 GET THE RIGHT BRAIN POWER ON A PROBLEM

Need someone specific to weigh in? Create a call-to-action and drive accountability by tagging a colleague

5 THINK BEYOND YOUR OWN WALLS

Invite individuals from other functions—even other companies—to join a cross-functional project using multi-company groups
